Bethel Kids Update

Parents,

It has been so wonderful to see many of you return to the church building for corporate worship! How great it is to see both you and your children. I have missed you all so much during this time. Starting **July 12th**, we will have Nursery and Jr. Church for babies-younger elementary kids. Sunday School will reopen at a time to be announced.

Here is some information about changes to second service Jr. Church:

- *The Nursery is for kids ages 0-35 months.
- *Please utilize the hallway beside the upper gym restrooms to get to the children’s classrooms.
- *Room 101 will be for Preschoolers, ages 3 and up
- *Room 102 will be for the upcoming Kindergarteners
- *Room 103 will be for younger Elementary Kids
- *5th and 6th graders are encouraged to remain in service with their families

As always, don’t hesitate to reach out should you have any questions or concerns. I’m here for you in any way you might need. See you soon!
-Carrie

from the senior minister.

Worth the Wait

During this crazy time in our history Angela Joy turned 16 years old! So many of you showed incredible love and support for our family by sending her birthday cards to help make that day feel special. For our family birthday morning means breakfast out with dad. Restaurants were still closed for eating in, so AJ and I headed to Bob Evans for a carryout breakfast enjoyed in the back of the van. (Fortunately it was a warm March day, even though it was a bit wet.) Perhaps the hardest part about that day was the fact that she wasn’t going to be able to get her driver’s license. She had put in the time with mom and dad, had completed all of her classroom hours, but she wasn’t able to do the in car driving and the BMV was closed so no one was getting their licenses during this ordeal. She faced it with a great smile and looked forward to the day that she would be able to gain that independence offered by that simple plastic ID card. The day came that she was able to get back into the car and finish her in car driving experience, and then came the attempts to contact the BMV! Findlay was one of only 6 open for a long time, and they were impossible to reach by phone. Finally some other offices opened and after an hour on the phone AJ had an appointment in Marion. On June 25th she nervously approached the “road course” for her test since the evaluators were not allowed to be in the car. It was nothing more than a parking lot with some cones and stop signs, but it was a bit intimidating to be doing something brand new. By 9:01 am she passed! She was now a licensed driver. This wasn’t on her 16th birthday, and it wasn’t how she would have chosen to do it, but it was worth it. I think we can all learn a lot from AJ. We may be seeking God and feel like he isn’t answering. We might be wondering where he is in all of this pandemic junk going on. One thing we have to remember is that God will always answer us when we call to him. (Jeremiah 33:3) The answer might not be what we were hoping for. Sometimes God answers yes. Other times he answers no. Still other times he simply tells us, “Not yet.” Maybe you don’t feel like God is answering because he is saying “Not yet.” Seek God and his will through all of this, and he will answer.

See you on Sunday!
Randy

A teaching position at Bethel Christian Preschool will soon be available. A high school diploma is the only educational requirement. You would be joining Tami Waller (Teacher) and Angie Richardson (Administrator) in getting these young kids prepared for Kindergarten. If anyone has any questions, please feel free to contact Angie at 419-648-8125 or Tami at 419-236-8500.

Jr. Church teachers are needed for 1st Service. This would be on a rotation basis with other 1st Service Jr. Church teachers when possible. The lessons are preplanned and curriculum is supplied, so no need to figure out a lesson on your own. If you are interested please contact Carrie Rausch by phone, text, email, or in person as soon as possible. Jr. Church will be starting back up July 12th.
