Bethel Kids Update

Parents,

As we return to the church building in the next few weeks, I am filled with joy to see all of you! This time apart has had both positive and negative aspects, but I'm choosing to focus on the good. God has been at work during this time and I hope you have been able to see His handiwork in your life.

I know for me, I have had the opportunity to spend more time with my husband and children, which I see as a great gift. It has also opened my eyes to how busy we can become. This time at home has been so good for my family. I hope you have had a similar experience.

What has God been saying to you? Is He calling you to live a simpler lifestyle? Is He prompting you to spend more time with Him? Is He asking you to trust Him like never before? I encourage you to quiet yourself and seek where God is leading you next in your spiritual journey. Don't miss this opportunity to grow closer to God.

My hope is that when we next meet up, we will be able to say, "I've missed seeing you, but let me tell you all about what God has been doing in my life!" That will turn the negatives of this time into a great positive.

All Things New

There is a lot of talk about what our "new normal" is going to be. Most people are getting sick of these common catch phrases that 3 months ago we weren't even using. However, this got me thinking about the words in Revelation 21:5 – "And he who was seated on the throne said, 'Behold, I am making all things new.'" We understand that this is a description of the final work of Jesus and God for the coming eternal Kingdom, but we also know that through the work of Jesus on the cross we are part of His Kingdom now! Today God is making all things new! What needs to be new in your life? This time of Ohio's "Stay-at-Home" order, or "Stay-Safe-Ohio" has given many of us time that we didn't know we had. Ball games have been canceled, events are postponed, and families are home together. God can and will work through this current pandemic, and I believe that one of the ways is that God is going to do something new in your life.

It is time for a new commitment to the Word of God. Spend time exploring this incredible letter that God has written to us. It is time for a new commitment to the Church. Not just to Bethel, but to Christ's Church, sharing this incredible message with the people around you. It is time for a new commitment to love. Jesus said that the greatest commandment is to love God and to love others. Ask God to show you the areas in your life where you struggle to love. Maybe it is a neighbor or a family member. Be honest with yourself and ask God to show you if it is a people group. Love one another. "Behold, I am making all things new!" Let God do something new in your life, and embrace the "new normal."

See you on Sunday! (For real this time)
