**Summer Time**

End of the spring and here she comes back  
Hi Hi Hi Hi there  
Them summer days, those summer days  
First of the fall and then she goes back  
Bye bye bye bye there  
Them summer days, those summer days

Some of you might remember those lyrics about summer. This is one of the first songs to begin running through my head each Spring. Even Sly and his family saw how fleeting summer is once it starts.

When I was a kid Summer break seemed to fly by, and yet coming back from break it seemed like it had been a lifetime since I had seen all those people. A two week vacation used to feel like we were gone forever, now a two week vacation seems to be over before it starts.

With the passing of time, things change. Friends change, looks change, even the scenery changes as the seasons go in and out each year. Sometimes it seems like those changes happen quickly. My kids were just toddlers yesterday, and now two of them are done with high school, and beginning lives of their own. Other changes happen more slowly. Rarely will you see a car rusted out overnight, it kind of creeps up on you.

Everything changes.

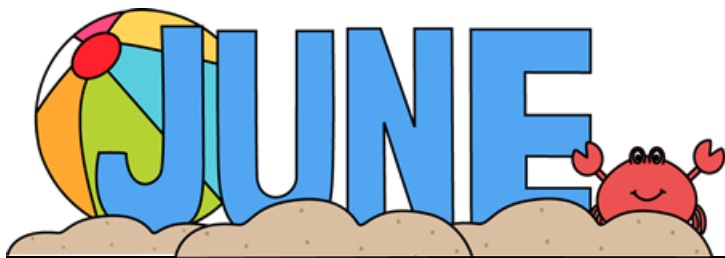

Jesus taught about this in Luke 21:29-33:

*And he told them a parable: "Look at the fig tree, and all the trees. As soon as they come out in leaf, you see for yourselves and know that the summer is already near. So also, when you see these things taking place, you know that the kingdom of God is near. Truly, I say to you, this generation will not pass away until all has taken place. Heaven and earth will pass away, but my words will not pass away."*

No matter what kind of change we face, God's word will never change. He is faithful, and has made promises to us that will never fail. When summer passes, trust that God and his word will never pass away.

See you on Sunday!

Randy
